

## School Garden Grant Application

Application deadline: November 1, 2021

**Overview:** Davis Farm to School is offering a grant opportunity for Davis school gardens. Grants provide **up to \$500** per school. Matching funds are encouraged but not required. Matching contributions typically come from a school site's PTA/O, but may also come from other sources such as individual contributions, booster clubs, or local businesses.

### Funds are for direct support of Davis school garden programs and uses for the grant may include:

- Purchase of seeds, plants, supplies, or equipment;
- Stipends for Garden Coordinators;
- Professional development opportunities;
- Garden curriculum; or
- Supplies and materials for projects that enhance connections between the school garden and the classroom, cafeteria, or waste reduction program.

### Requirements to apply:

1. Complete application, including all signatures.
2. Return application by Monday, November 1, 2021 to Davis Farm to School to [info@davisfarmtoschool.org](mailto:info@davisfarmtoschool.org)

**Grant recipients will be announced on November 15, 2021. Funds will be sent via USPS to the recipient of funds at school address provided, unless otherwise arranged.**

### Requirements if proposal is selected for funding:

1. Submit End of Year Report to Davis Farm to School by June 30, 2022 (*submission of Grant Report is required to be eligible for future funding*).
2. Garden coordinators must attend two Davis Farm to School Team Meetings during the 2021-2022 school year (dates to be determined) or send a representative on their behalf. Meetings are open to the community and others are encouraged to attend (*more information will be provided in advance of each meeting*).

*The mission of Davis Farm to School is to create an educational and cultural environment in our schools that connects food choices with personal health, community, farms and the land.*

*Davis Farm to School supports all Davis schools in their goals to provide farm and garden-based education, increase farm fresh foods in school meals, and reduce solid waste through recycling and composting programs.*

*Davis Farm to School is a project of the non-profit Davis Farmers Market Alliance.*
